# Chip Cards Are Coming Soon!

**Why do I need a new card?** The chip technology embedded in your new card adds an extra layer of protection to your transactions, making your banking experience more secure.

- No worries! Your account number and PIN will remain the same on the new card.
- To ensure a smooth transition, **please activate your new card as soon as you receive it** in the mail. After 61 days, your existing card will no longer be valid. Activation instructions will be included with the card.

If you have any questions, please give us a call. We appreciate your trust in us, and this advancement is just one of the ways we strive to enhance the safety and efficiency of your banking experience.
